

NEOLACT ADVANCE OPTIGROW 3

Growing Up formula.
0% sugar added.

From 12 months

Features

Neolact Advance OptiGrow 3 is our balanced growing-up milk containing calcium, iron, vitamins and minerals to complement your child's diet.

Neolact Advance OptiGrow 3 contains choline, taurine, DHA, ARA, nucleotides, iodine, iron, folic acid and calcium to fulfil children's nutritional needs.

- **DHA:** Docosahexaenoic acid is an omega-3 fatty acid present in breastmilk.
- **ARA:** Arachidonic acid is the most predominant long-chain polyunsaturated fatty acid in human milk.
- **Vitamin D:** contributes to the correct development of the immune system and is needed for the normal growth and development of bones in children.

Information intended only for healthcare professionals.

All images and product sheets shown on the web are CODEX versions. Ciconea develops and manufactures each product in accordance with the legislation and instructions of the distributor in each country. This sheet is subject to be modified to correctly adapt its composition to the requirements of each country.

- Calcium: contributes to the normal growth and development of bones in children.
- Iron: contributes to the normal cognitive development of children.
- Iodine: contributes to the normal growth of children.
- Nucleotides.

Ciconea Nutrición believes that food safety is essential. This is why all our formulas are produced in Europe under the most stringent quality and safety controls.

*Contains naturally present sugars.

Ingredients

Skimmed **milk**, **milk** protein, maltodextrin, vegetable fat (palm and kernel), vegetable oils (rapeseed, sunflower and high oleic sunflower), **lactose**, minerals (sodium citrate, calcium chloride, calcium hydroxide, magnesium sulphate, potassium hydroxide, monocalcium phosphate, calcium citrate, ferrous sulphate, zinc sulphate, cupric sulphate, sodium selenite, manganese sulphate, potassium iodide), emulsifier (**soy** lecithin), vitamins (L-ascorbic acid, DL-alpha tocopheryl acetate, retinyl acetate, phytomenadione, cholecalciferol, nicotinamide, calcium D-pantothenate, thiamin hydrochloride, pyridoxine hydrochloride, riboflavin, folic acid, D-biotin), choline chloride, oil from the microalgae *Schizochytrium* sp. (source of DHA*), oil from *Mortierella alpina* (source of ARA**), taurine, nucleotides (CMP, AMP and UMP, GMP, IMP disodium salts), inositol, L-carnitine, antioxidants (tocopherol-rich extract, ascorbyl palmitate).

Contains milk, lactose and soy.
