

NEOLACT PREMIUM OPTIEXPERT 1

Unique combination of nutrients.
Innovative formula in continuous evolution.

0-6 months

Features

Neolact Premium OptiExpert 1 is an infant milk formula with a unique composition especially developed to be a first food for new-born babies and infants from their first day up until 6 months of life.

A proper nutrition is essential during the first years of a baby's life. That's why our formula includes innovative ingredients like MFGM, Alfa lactalbumin, DHA, ARA, vitamins and minerals that provide important benefits to support the overall development of your baby.

Ciconea Nutrición believes that food safety is essential. This is why all of our formulas are produced in Europe under the most stringent quality and safety controls.
